President's Message

Thoughts of Spring are sneaking into different forms of media these days. Seed catalogues, seed exchanges, pictures and ideas on Facebook and Instagram -- and they're all pointing to my favourite season of all -- Spring. Each day, the sun gets stronger. Nice. We have some great months to look forward to.

The Garden Show is just around the corner. We're so excited about our NEW VENUE! The Fleming College space is super bright and shiny and ready for over 100 volunteers to show up to help, with many doing multiple shifts. Remember that it's "OUR" show. We've worked for years to develop, promote and operate this show. There is an amazing amount of pride and satisfaction involved and I would encourage as many of you as possible to volunteer for at least one shift. After the first one, you'll be hooked too! Look in the other sections of this newsletter for volunteer contact information.

A big WELCOME to our new and returning members. Welcome, welcome, welcome. We do try to make the general meetings interesting, informative, and fun with the goal of teaching a new thing to every person with every meeting. I would also encourage you to wear your name tags. I'd like to get to know everyone by name, but need a little help that way.

As always, if anyone has any suggestions for the Society, I'll be happy to receive them. We are so much smarter when we pool our resources. Keep those items coming! Call me at [\(705\) 652 6993](tel:7056526993) or email me at mjpilgrim@live.ca.

2019 Garden Show

April 26, 27, 28

Garden Show plans are falling - well, not falling exactly, but being put in place, like pieces of a complicated puzzle. Booths are 80% full with a waiting list.

Our "Lunch Date with Mark Cullen" includes a 3-course meal, a copy of Mark's book all in the intimate setting of the newly renovated restaurant at Fleming; it is co-sponsored by Mark's Choice and by the Culinary Program at Fleming. It has been launched and a limited number of tickets are for sale on Eventbrite.

Garden Route has confirmed its place with 8 or 9 vendors putting on a display garden near the entrance. MJ and Donna have been working hard to put a new "Volunteer Sign-in" - wow, what a time and energy saver. Easy to find from the website so please check it out and join us.

The Speakers and Workshops are 90% in place, so see the bios and information on the site.

Please share the website with everyone you know... remember, we do this, not only to have fun, but to make money to support our community gardens and our horticultural students...

We have a great team who is working very hard to make this the best show yet....we would love you to come and join us.
